Introduction & Overview of Programs

The State of South Dakota received \$1,250,000,000 in federal funds to be used for costs incurred due to the public health emergency in response to the Coronavirus Disease 2019 (COVID-19). In consultation with the legislature, the Administration has determined that the unexpended portion of these coronavirus relief funds be spent on several different programs aimed at supporting small businesses and healthcare providers across the State.

The screenshot shows the 'HEALTHCARE PROVIDER APPLICATION' form on the SDGOV website. The form includes the SDGOV logo, the application number 'SA-0072', and the application status 'New'. The form is divided into four main sections: '1. Business Information', '2. Funding and Eligibility Information', '3. Document Uploads', and '4. Certifications and Authorizations'. A 'Submit' button is located at the bottom of the form. A file upload section at the bottom left shows 'Files (0)'.

The screenshot shows the 'COVID-19 in South Dakota' website. The header includes the text 'COVID-19 in South Dakota' and 'about COVID-19? We're here to help. → Call South Dakota's Information Line at 1-'. The main content area is titled 'Small Business & Healthcare Grants' and lists several categories: 'Small Businesses', 'Small Non-Profit Businesses', 'Small Start-Up Businesses', 'Community Based Healthcare Providers', and 'Acute Care Hospitals'.
