How it Works

- ✓ Testing is FREE and open to the public.
- ✓ Pre-registration is required to secure a testing time. Register at: <https://www.doineedacovid19test.com/>
- ✓ After registering, individuals will receive an appointment and a **test voucher that must be printed and brought to the testing site.**
- ✓ Testing locations will use a [self-administered nasal swab](#) for specimen collection that allows individuals to swab their own nose, supervised by trained medical staff.
- ✓ Results will be delivered within 3-5 business days. Individuals being tested will receive an email notification when results are available and can [log on to a website](#) to view and print laboratory results.
- ✓ While awaiting results, individuals who have been tested should follow [CDC guidelines](#) and take steps to help prevent the virus from spreading to people in their home and community.
